Good morning John,

We did not object to the issuance of the permit for Riverview Energy. IDEM intends to issue the final permit early this week. IDEM's ATSD accompanying the final permit will contain some revised responses to several comments.

Please feel free to call or email me if you have further questions.

Thanks,

Hi, Michael-

Today was the day that EPA was to object or not to the IDEM proposed permit for Riverview Energy. IDEM staff in Indy have mostly left for the weekend. Do you have anything to share? Thanks.
